## PROFILE

Hi I am Abhishek now I am pursuing b.com in final sem. But I am interested in web development. So I learned those mentioned skills. I convert Psd to html for the web view and Mobile view. I have made the responsive websites.

## SKILLS

- HTML
- CSS
- BOOTSTRAP
- PHOTOSHOP

## EDUCATION

### Punjabi University

2020-2023

Pursuing correspondence  
b.com

### Lord Mahavir Jain Public School

2020

I completed my high school  
for commerce stream.

## GREAT LEARNING CERTIFICATES

I completed two courses from great learning academy on august 2022 that is HTML or CSS course at get accomplishment certificates.

## Carrier Objective

To serve in an organization where my potential is utilized to the fullest thereby leading to the growth of the organization and development of challenging and motivating carrier.

## projects

By those mentioned skills I made two clones. First clone is a school web site. You can chek this <https://abhishek-017.github.io/Gw/> . and second one is my personal portfolio. <https://abhishek-017.github.io/myport/> .
